Our Heritage

Since 1929, VANOS S.A. has been at the heart of Greece's maritime hub, Piraeus, standing as a pillar of trust for shipowners, operators, and industries worldwide. What began as a family business has grown into a trusted partner for fleets, industries, and communities worldwide.

Our roots are steeped in dedication, resilience, and a deep respect for the sea. Over the decades, we have embraced progress while staying true to the values that shaped us: reliability, expertise, and commitment to safety. We take pride in combining tradition with progress. The same dedication that built our reputation in the early years continues to fuel our vision today: to deliver solutions that safeguard people, strengthen industries, and support sustainable growth.

For VANOS S.A., heritage is not just about history, it is a living promise to honor our origin, combining heritage with innovation to navigate excellence across generations.

Our Vision

To lead the transition towards smarter, safer, and more sustainable operations.

Our Mission

To combine heritage and innovation, delivering trusted solutions that power the industries of tomorrow.

VANOS MARINE SOLUTIONS

At VANOS S.A., we provide complete solutions for the protection and performance of machinery, structures, and industrial products against corrosion, chemical exposure, abrasion, and environmental wear. Proper surface preparation, application techniques, and safety measures, fundamental to achieving optimal performance and worker protection. Beyond preservation, our trusted global brands ensure long-term durability and compliance, functional and improved efficiency across marine and industrial environments.

1st Jotun's Performance Coatings store at VANOS Premises in Perama

Our store, dedicated to marine and protective coatings, features state-of-the-art facilities and is equipped with the latest technology, including an advanced Multicolor automatic color tinting machine (MCI), ensuring customers access cutting-edge coating solutions. Jotun's automatic color tinting machines are uniquely designed so retailers can mix thousands of custom colors for customers in the store. With the inclusion of the MCI machine, customers can now benefit from enhanced efficiency and convenience in accessing Jotun's comprehensive range of performance coatings.

MARINE

Empowering Maritime Operations, From Deck to Data.

At VANOS S.A., we navigate nearly a century of maritime expertise towards the future of smart shipping.

Our Marine Sector unites tradition with technology: delivering trusted supplies, advanced navigation systems, and integrated digital services designed to enhance safety, efficiency, and sustainability at sea.

From predictive maintenance and e-navigation, to logistics excellence and crew training, we provide end-to-end solutions that keep fleets connected, compliant, and future-ready.

ANCHORED IN RELIABILITY, DRIVEN BY INNOVATION.

INDUSTRY

Powering Performance Through Precision and Protection.

At VANOS S.A., we bring industrial excellence into the era of smart operations.

Our Industry Sector delivers certified products, engineered solutions, and digital tools that enhance productivity, reliability, and worker safety across every environment.

From advanced coatings and safety systems to energy-efficient technologies and training programs, we help industries operate cleaner, safer, and smarter — reducing risk while driving sustainable growth.

BUILT ON INTEGRITY. SUSTAINED BY INNOVATION.

E - NAVIGATION

Connecting Vessels, Enhancing Decisions, Empowering Safety.

VANOS S.A. delivers next-generation E-Navigation and Voyage Management Solutions, integrating compliance, efficiency, and real-time situational awareness.

From digital chart management to automated updates, route optimization, and environmental monitoring, our systems keep fleets fully informed and compliant, anywhere in the world.

With 24/7 operational support and dedicated maritime expertise, VANOS ensures seamless navigation, smarter decision-making, and safer voyages across every sea.

Navigating the future intelligently, reliably, and always connected.

ANTI-PIRACY SOLUTIONS

Protecting Lives, Securing Assets, Ensuring Continuity.

At VANOS S.A., we deliver integrated Anti-Piracy and Maritime Security Solutions designed to safeguard crews, vessels, and cargo in high-risk waters.

From advanced detection and deterrent systems to protective gear, vessel hardening equipment, and operational training, our approach merges technology with tactical expertise to prevent threats before they escalate.

Supported by global partnerships and rapid-response logistics, VANOS ensures every voyage remains safe, compliant, and uninterrupted.
